

WANT TO BOOST YOUR LOCAL ECONOMY? START WITH PROJECT GROWTH.

Apply for a Dream Up! Child Care Supply Building grant.

Project Growth is investing in Wisconsin businesses and child care providers that want to add services, find child care solutions, and innovate. How? By giving you money!

It's all about the benefits!

Project Growth's Dream Up! grant program has concrete benefits—for everyone! We offer funding and support to communities and child care programs that partner up to help make high-quality, affordable child care accessible and sustainable.

Benefits for communities include:

- ▶ Creating new or expanding existing child care businesses in your community
- ▶ Opportunities to work with other like-minded to solve the child care crisis in your community
- ▶ Strengthening the local community and economy

Benefits for early childhood programs include:

- ▶ Expansion Opportunities
- ▶ Free Training
- ▶ Business Supports
- ▶ Leadership development
- ▶ Stipends for engaging in cohort business leadership opportunities

The competitive grant application period will run February 20, 2023 - March 17, 2023
